

**ROSILY**  
VINEYARD  
MARGARET RIVER

## 2016 Other Side Of The Moon (*Grenache/Shiraz*)

**The Domaine** Rosily Vineyard is situated on Yelverton Road in the Willyabrup sub region of Margaret River. The total vineyard size is 12.27 hectares. It is north facing and has east / west row orientation. Only fruit from this property is used in the production of our wines. The wines are all made at the winery constructed on the property in the year 2000.

**Salute** This wine is a celebration of two of Margaret River's famous pursuits - grape growing and surfing. The Other Side Of The Moon is a beautiful surfing break situated near Cape Naturaliste not far from the valued vineyards of the region.

**The Brand** Given that Grenache isn't traditionally grown in Margaret River we have decided to bottle this wine under the Other Side Of The Moon brand.

Importantly the wine has been made in the Rosily Vineyard house style, concentrating on elegance and pure fruit expression. It also maintains the focus of the winery to ensure all of our wines are crafted from our single vineyard site.

The Rosily team has been working with Grenache for 20 years as each year a small portion is blended with our Shiraz.

**Tasting Notes**

<i>Nose:</i>	Lifted spice and floral fruit characters.
