Salute	<p>This wine is a celebration of two of Margaret River’s famous pursuits - grape growing and surfing.</p> <p>The Other Side Of The Moon is a beautiful surfing break situated near Cape Naturaliste not far from the valued vineyards of the region.</p> <p>Importantly the wine has been made in the Rosily Vineyard house style, concentrating on elegance and pure fruit expression. It also maintains the focus of the winery to ensure all of our wines are crafted from our single vineyard site.</p>

Organics	<p>The reasons that grape growers decide to “go organic” are many and varied, but for Rosily Vineyard the decision was made as a result of our commitment to make wines that truly reflect the unique patch of land upon which they are grown, and to look after that land, and the people who work upon it.</p> <p>Having the recognised auditors at Australian Certified Organic go through every step of the growing process each year, from pruning through to harvest, to certify that each step and every input adheres to organic principles, gives us complete integrity and prevents any shortcuts or exceptions being taken.</p>
