

2024 Pinot Blanc

Sub region – Wilyabrup

The Domaine	<p>Established 1994. Single Vineyard. Certified Organic. Family Owned</p> <p>Rosily Vineyard is situated on Yelverton Road in one of the premier sub districts in Margaret River - Wilyabrup. The total vineyard size is 12.28 hectares. Only fruit from our vineyard is used in the production of our wines. The wines are all made at the winery constructed on the property in the year 2000.</p>
Background	<p>This is 1st Pinot Blanc release from Rosily Vineyard. This old-world variety has been blended with our chardonnay wines for a number of years. Given the Pinot Blanc vines have now aged sufficiently has ensured we can showcase this wine as a stand-alone expression. Our major aim each vintage continues to be to display our single vineyard site's possibilities.</p>
Notes	<p>Vintage – The 2024 harvest was the earliest on record (started in January) and was completed by the end of February (for the 1st time ever)</p> <p>Bottling date – 22nd November 2024</p> <p>Production – 2 barrels only.</p>
Tasting Notes	<p><i>Nose:</i> Displays delicate floral and green apple notes.</p> <p><i>Palate:</i> Subtle stone fruit flavours with white blossom and pear notes. Given the use of older oak (French) barrels ensures a gentle textural palate.</p>
Organics	<p>The reasons that grape growers decide to "go organic" are many and varied, but for Rosily Vineyard the decision was made as a result of our commitment to make wines that truly reflect the unique patch of land upon which they are grown, and to look after that land, and the people who work upon it.</p> <p>Having the recognised auditors at Australian Certified Organic go through every step of the growing process each year, from pruning through to harvest, to certify that each step and every input adheres to organic principles, gives us complete integrity and prevents any shortcuts or exceptions being taken.</p>
Certified Organic Timeline	<p>2012 and 2013 – Vineyard organic trials conducted</p> <p>2014, 2015, 2016 – Vineyard conversion to organic</p> <p>2017 – Vineyard certified organic</p> <p>2018 – Vintage 2018 was the 1st wine bottled with certified fruit</p> <p>2019 – Certified wines released from 2018 and 2019 vintages.</p>
Winemaker	Mike Lemmes
Viticulturalist	Sam Castleden
