

**ROSILY**  
VINEYARD  
MARGARET RIVER

## 2014 Shiraz

<b>The Domaine</b>	Rosily Vineyard is situated on Yelverton Road in the Willyabrup sub region of Margaret River. The total vineyard size is 12.27 hectares. It is north facing and has east / west row orientation. Only fruit from this property is used in the production of our wines. The wines are all made at the winery constructed on the property in the year 2000.
<b>The Soil / Site</b>	<p>Rosily vineyard is planted on a gentle hill sloping down to a tributary of the Willyabrup brook, which flows in the winter months. The soil types on the property vary from deep gravelly loams, to coarse gravels, to lighter sandy soils over a clay base.</p> <p>This soil diversity (in conjunction with Margaret River's climate and our north facing aspect) gives Rosily Vineyard the ability to produce vastly different styles of wine, all from within the 80 acre site. The middle / lower portion of the block, is the site where gravel loam soils merge with some darker clay based earth. This was specifically identified as being ideally suited for the shiraz vines in the initial stages of planting.</p>
<b>Tasting Notes</b>	<p><i>Appearance:</i> Clear, bright, deep red / purple with a crimson hue.</p> <p><i>Nose:</i> Lifted berry and plum tones with a floral lift.</p> <p><i>Palate:</i> Medium to full bodied with a soft velvety mouth feel. Focused and bright red fruits flow amongst subtle white pepper and cinnamon notes. Fine grained, medium toasted, new French oak assists in providing extra complexity and dimension to the finish.</p> <p>This wine has the capacity to continue to develop 6-8 years from the release date (01/08/17).</p>
